The minutes of the last Board meeting were approved as submitted by Corinne Mitchell, Recording Secretary.

Terri Shea, Treasurer, reported that our current check book is balanced and in line with anticipated expenditures.

Marilyn Crandall, Corresponding Secretary, reported that there are no issues for the board at this time.

Jen and Marilyn commended the division representatives for providing assistance and support to City League captains over the season.

Jen addressed the issue of prizes given to winning teams in each division. General discussion followed and many ideas were discussed. Marilyn and Heidi will work together to explore gift ideas.

Jen next had each division representative give their division survey results. All divisions reported. The Board would like to thank each City League captain for their outstanding efforts to complete the survey by polling each member of their team, compiling the information, and relaying the results to the division reps. **Tabled for discussion:** Results of survey will be tabled until the May 19th meeting, when we will have all divisions represented.

**Tabled:** The Board will look closely at the rule regarding New Team Requests. At question is whether the date of commitment needs to be changed in this circumstance. The Board will address the issue during the Rules Review meeting.

With no new business before the Board, Jen adjourned the meeting at 10:35 A.M.

The next Board meeting will be May 19<sup>th</sup>.

Respectfully submitted,

Corinne Mitchell  
Recording Secretary
