Jen Heinrich suggested we revisit the one/two season issue. She asked for and explanation of why the league change from two seasons to one. After discussion, Barbara Keller suggested another survey be given the players. The matter was tabled with no vote.

This was Marilyn Crandal's last board meeting since she has moved. She said that she enjoyed working with all the ladies on the Board. We all enjoyed and benefited greatly by having her on the board. We will miss you Marilyn, good luck to you. We are sure you will do great things for your new town.
