Treasurer reported that we are on budget.

**Division Reps are asked to remind their captains of the May 31<sup>st</sup> deadline for the commitment fee.** Since the date was incorrect on the web page, it will be updated. **It is important that every team be represented at the Captains' Brunch, so it will be mandatory that the captain or someone from the team be there.**

**Coordinator's Report**

Cheryl has completed the standings and will mail them out to captains and the Board.

Since some clubs have changed their match times, the rules need to be changed to reflect the new forfeit times.

**Division Reports**

Liz Myzak reviewed the situation with the West Hills and Mountain Park E teams dispute. She had contacted the captains and it was verified that the Mt. Park players did motion to their team during a service game. A player from Mt. Park did come onto the court during the changeover. She had asked someone from the other team to join her, but no one volunteered to do so. Liz will send a letter to both captains and players, pointing out the rules and giving a warning to the Mt. Park team.

Chris reported that Heidi had had a complaint regarding a Mt. Park player who displayed unsportsmanlike behavior to a MAC player. The captain apologized. Barbara moved that Heidi send a warning letter citing the unsportsmanlike conduct.

Jenn asked about revisiting the full year or split season survey. Last time the count was 614 for full year and 453 for the split season. It was decided that at the 2007 brunch we will again revisit the issue.

Corinne suggested we provide a banner for the winning teams in each division. She will check on prices and get back to the Board with quotes.
