Chris Harms, president called the meeting to order at 9:15.

The minutes were approved as submitted by Corinne Mitchell, Acting Recording Secretary.

Betsy Mosser, treasurer, reported that we are solvent, but last year we paid out more than we took in. A budget committee was appointed to produce next year's budget.

Cheryl Rathbun reported that one club has had many subs on its teams so far this year.

A question had been raised by a team as to whether when more courts are available, the visiting team must have players for all the courts. Captains should check with each other so if more courts are available, they will know ahead of time and establish the order of play.

Meeting adjourned at 10:30. Next meeting Nov. 17th
