Website Coordinator Report: It was reported that there are 26 teams who have matches scheduled on December 16th/17th, so the scores need to be recorded on the website ASAP, but no later than Friday, December 19th. The dates for registration will be open on December 20 and close on January 12. A reminder note for open registration will be added to the homepage of the website.

Division Rep Reports:

It was reported that there was a leaking roof at a match, in addition to an earthquake drill. The final doubles match went on court late, in which the players could only stay for about another hour. The rep was called to see how to handle the situation, in which she suggested that they reschedule the match. The players said no, they wanted to play. After finishing the first set, they agreed to play a tie-breaker for the 2nd and 3rd sets. Everyone agreed and played the match.

It was reported that there was a suggestion that instead of 1 team moving up and 1 team moving down at the end of the season, that there should be 2 teams moving up and down. If this change was made, then some teams would have to change days of play (Tuesday to Wednesday or Wednesday to Tuesday).

Old Business – None.

New Business – None.

The meeting was adjourned at 10:39 am. The next Board meeting will be Thursday, January 15, 2009.
